## **Public Water Supply Manual**

USER'S GUIDE The Public Water Supply Manual is a comprehensive publication designed to provide necessary, useful information to public water suppliers (PWSs) concerning Pennsylvania's Safe Drinking Water Program administered by the Department of Environmental Protection (DEP).

## **Manuals of Practice | American Water Works Association**

For smooth and efficient day-to-day operation and management of municipal water systems, water professionals depend on AWWA Manuals of Water Supply Practices. AWWA Manuals are consensus documents focused on providing strategies and steps for water system optimization. They are written, reviewed and approved by members of AWWA volunteer committees.
