## Law

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. It has been defined both as "the Science of Justice" and "the Art of Justice". Law is a system that regulates and ensures that individuals or a community adhere to the will of the state.

## Criticism of the Quran

The Quran is viewed to be the scriptural foundation of Islam and is believed by Muslims to have been revealed to Muhammad by the angel Gabriel. Criticism of the Quran has frequently occurred since western scholarship has looked to decipher, understand and verify the claims of Islamic thought as stated in the Quran. Questions relating to the authenticity and morality of the Quran have been ...
