Book Summary: "Leadership and Self

To get out of the box, we should do our best to help others succeed and achieve results, whether personally or professionally. Success as a leader depends on being free of self-betrayal and creating an environment of openness, trust and teamwork, where people work hard for the collective good, not individual accomplishments.

Leadership and Self

Leadership and Self-Deception: Getting out of the Box by THE ARBINGER. Since its original publication in 2000, Leadership and Self-Deception has become a word-of-mouth phenomenon. Its sales continue to increase year after year, and the book's popularity has gone global, with editions now available in over twenty languages.

LEADERSHIP AND SELF

LEADERSHIP AND SELF-DECEPTION: getting out of the box Part I—Self-Deception and the “Box” 1. On page 17, Bud continues his conversation with Tom with a question: “Remember how I mentioned that you needed to know something about a

Leadership and Self

The core ideas in the book -- what the authors call getting "in the box" toward others and how to get out of the box -- are helpful. However, two things keep me from giving this book a higher rating. First, the story the authors use to introduce these core ideas to the reader could have been much shorter with higher impact.

Leadership and Self

Leadership and Self-Deception introduces readers to an important new idea in organizational thinking. It shows how the problems that typically prevent superior performance in organizations are the result of a little-known problem called "self- deception." According to the authors, people who are in self-deception live and work as trapped in a box.
