Job burnout: How to spot it and take action. Feeling burned out at work? Find out what you can do when your job affects your health. By Mayo Clinic Staff

How long should a survey be? What is the ideal survey ...

How much time would you be willing to spend completing a customer satisfaction survey about a recent shopping experience? On a survey distributed by your Human Resources team regarding employee satisfaction? From your friends who hosted an event that you attended and want your feedback? Understanding your audience when constructing a survey is important and [...]

Scientific Objectivity (Stanford Encyclopedia of Philosophy)

Scientific objectivity is a characteristic of scientific claims, methods and results. It expresses the idea that the claims, methods and results of science are not, or should not be influenced by particular perspectives, value commitments, community bias or personal interests, to name a few relevant factors.

How many bones are in the human body?

hmm its depends on the age too.. The human skeleton is the internal framework of the body. It is composed of around 300 bones at birth – this total decreases to 206 bones by adulthood after some bones have fused together. The bone mass in the skel...

Solaris (2002 film)

Solaris is a 2002 American science fiction drama film written and directed by Steven Soderbergh, produced by James Cameron and Jon Landau, and starring George Clooney and Natascha McElhone. It is based on the 1961

science fiction novel of the same name by Polish writer Stanisław Lem.. Reflecting on Andrei Tarkovsky's critically acclaimed 1972 film Solaris (which was itself preceded by a 1968 ...

Wikipedia:Reference desk/Archives/Science/March 2006 ...

The scientific journal business has made a large number of scientists rather unhappy; see open access (which is not the most neutral of articles, but anyway) for an alternative approach. --Robert Merkel 22:17, 28 February 2006 (UTC) Thanks, this is great! I'm actually a representative for my university course to our university library.

Overcoming Serious Indecisiveness

Decisions are the heart of success and at times there are critical moments when they can be difficult, perplexing and nerve racking. This side provides useful and practical guidance for making efficient and effective decisions in both public and private life.
