Hate speech laws in Canada

Hate speech laws in Canada include provisions in the federal Criminal Code and in some other federal legislation. There are also statutory provisions relating to hate publications in some, but not all, of the provinces and territories.. The Criminal Code creates criminal offences with respect to different aspects of hate propaganda. Those offences are decided in the criminal courts and carry ...

Phonology

What is phonology? Phonology is the study of the sound system of languages. It is a huge area of language theory and it is difficult to do more on a general language course than have an outline knowledge of what it includes. In an exam, you may be asked to comment on a text that you are seeing for the first time in terms of various language descriptions, of which phonology may be one.
