

Download Super 6 Making Connections Lessons

Making Connections

Making connections is thinking about the text in relation to ourselves, other texts, and the world (Keene & Zimmerman, 2000). The ability to make connections provides the basis for learning, as students connect new information with their own experiences. This, therefore, is necessary for understanding.

10 Ways to Use the Super Six in the Music Classroom—Making ...

Making Connections and the Super Six. Welcome to this post, I hope to share with you how I have and still use the Super Six in my classroom. I have been using the Super Six since 2012, and I simply cannot teach without using these strategies – simply because they work!
