

Download Technotrans Beta C Manual

beta.c

Offering six performance levels, the beta.c module can be adapted to meet the needs of any size printing press. As a part of our extensive beta.c range, versions with two circuits for separate control of ink duct rollers and distributor rollers are available.

Instruction manuals

We can send you the instruction manuals and product information for your klh, termotek or technotrans unit via e-mail or mail. Please give us the serial number of the unit, so that we can generate data specific to your unit.
