[TAS] Transmig 130 twin

May be a long shot but I have a Transmig 130 twin, and the wire feed tensioner has broken, its really a flimsy bit of plastic, I tried the welding places here in Tassi, but parts arnt available any longer (typical) anyway was wondering if any main-landers could help out, Im on the understanding that I have to buy the whole kit as one part isn't sold separately, but havent found one, maybe ...
